Sir,

Sub: South Kanara district - Head Constable 716 Laxmana of Mulky Station - Treatment as inpatient in the Government Hospital at Mangalore for typhoid - Cost of drugs and medicines - incurred by the Head Constable - Reimbursement of - Sanction - Requested.

....

I request the Government to sanction as a special case, an expenditure of Rs.196.14.0 (Rupees One hundred and ninety six and annas fourteen only) being the cost of special drugs purchased by Head Constable 176 Laxmana of Mulky Station, South Kanara District for his treatment for typhoid.

2. The Head Constable was an inpatient in the Government Hospital, Mangalore from 4.5.1952 to 27.6.1952 for typhoid. During his stay there, he purchased Chloromycetin to the cost of Rs.196.14.0 (vide cash bills enclosed) Chloromycetin is a costly drug which is not supplied to the patients free of cost by the Government. The District Medical Officer, South Kanara has stated that as the condition of the patient was serious, this drug was prescribed by the Honorary Physician. He has also certified that the medicine was actually administered to the Head Constable and that the patient has completely recovered. He recommends that the cost of this drug may be paid to the Head Constable - vide copy of the Certificate enclosed.

3. With reference to G.O.Ms.No.1637, Health, dated 8.5.1950, the Head Constable is entitled to free medical treatment in the Government Hospital but the cost of the special drug purchased for his treatment will have to be borne by him under rule 10 read with rule 29 of the Medical Attendance Rules. With reference to G.O. No.2628, Health, dated 13.8.52, the Head Constable is exempted from the payment of diet charges and the entire cost of the special and expensive drugs administered to him. The orders in the Government Order have effect from 1.4.1952, though the Government Order was issued in August 1952. As the Head Constable was under treatment in the hospital from 4.5.1952 to 27.6.52, the District Superintendent of Police, South Kanara addressed the District Medical Officer, South Kanara to ascertain whether the special drugs purchased by the Head Constable were not available in the hospital at that time and whether the Medical Department will reimburse the cost of the special drug purchased by the Head Constable. The District Medical Officer, South Kanara in his endorsement N.Dis.6472/52,dated 15.10.1952 (copy enclosed) has stated that the drug in question was not supplied to the patient from the hospital as the drug was not supplied free of cost then. He also states that special orders are to be obtained of his Department has to reimburse the amount.

4. The Head Constable represents that the purchase of special drugs has been a drain on his slender resources and prays for the reimbursement of the amount. The disease is also certified to be not due to irregular and intemperate habits. In these circumstances, I request the Government to sanction the payment of a sum of Rs.196.14.0 to him as a special case.

5. The expenditure will be met from the appropriation under

"29.c.Police - District Executive Force.A.District Police.I.Ordinary Areas - 6.Other charges - Voted,Miscellaneous".
